

Range Rules 05/31/2016

Facility Requirements

- Safe gun handling practices will be observed at all times.
 - Always keep the gun pointed in a safe direction.
 - Always keep your finger off the trigger until ready to shoot.
 - Know your target and what is beyond.
 - Always treat guns as if they are loaded, chambered and ready to fire.
- All firearms brought into Mountain Creek Range (MCR) must be unloaded upon entry to the main floor or secured in an approved container. A clearing area is provided near the main entrance outside if needed. We request the following — the bolts open, slides lock back, on mechanical safe.
- Exception: If you are Law Enforcement Officer (LEO), Concealed Handgun License (CHL) / License to Carry (LTC) certified you may enter MCR with a hand gun in a readily discharge-able state or status however the firearm may not be manipulated in any manner on the main floor area of MCR unless cleared safe first at the clearing area outside or by a MCR staff member.
- No Steel, Armor Piercing (AP) or Tracer ammo allowed on the range. Rifled Calibers are limited to no greater than 7.62mm (.30 cal). Also, no 338 Lapua or 300 Win Mags are allowed.
- Multiple shooters may be assigned to a single shooting lane however only one person may occupy and shoot from a numbered firing position at a time.
- All loading, unloading, adjusting or any manipulations of a firearm may only be done while at a firing position and only while up on the Firing Line.
- If a malfunction occurs which you are unable to resolve, attempt to clear and make safe the firearm then bench the firearm at the shooting position and request assistance from a Range Safety Officer (RSO).
- Firearm muzzles must be pointed down range at all times while on the firing line with a firearm. In all other instances, they must be cleared safe, holstered, cased and/or placed in the holding racks behind the firing line and shooting positions.
- Shoot only at your target in your lane. No cross lane firing, shooting the walls, floor or ceiling is allowed. Abusers will be pulled off the firing line.
- You must be 21 years old to shoot a handgun & 18 years old to shoot a long gun unless accompanied by parent or legal guardian at which the age minimum is 7 years old to shoot either.

- Horseplay or unsafe acts on the range are not permitted. Abusers will be pulled off the firing line.
- Hearing protection & safety glasses must be worn at all times while on the range.
- Smoking, eating or drinking is not allowed in the Range Bay areas.
- Rapid fire greater than two shots under 2 seconds is not authorized.
- Holster draw firing is not authorized unless you are LEO and cleared by MCR safety staff in advance. In these cases, no “cross draw” rigs are ever allowed.
- After shooting, all brass must be collected and refuse discarded by the shooter before leaving the Range area completely.
- Crossing any part of your body over the red firing line is not ever permitted.
- No Black Powered guns (pistol or long gun) authorized on the range.
- Major safety violations or repeat abuses of these rules will result in expulsion from the range.
- No pregnant women are allowed on the range, for health reasons.
- A maximum of three people are allowed per shooting lane at one time with only two allowed up at the firing position on the range at the same time.
- Steel, armor piercing, tracer, military surplus ammunition are prohibited. Ammunition will be inspected and tested by the Range Safety Officers. Repeated violation of this rule will result in permanent barring from the range.
- Only MCR targets and regulation paper targets are allowed to be used on the range. The Range Officers reserve the right to prohibit targets that are deemed to be offensive or unsafe. Use the appropriately sized target that is placed at eye level to ensure that the bullets will enter the bullet trap. Rifle shooters must use a large silhouette targets (ie B-27 or for ARs, a AR 25m Zeroing Target).
- Only load your firearm when you are on the firing line, keeping the muzzle pointed downrange at all times. Keep actions open when not shooting.
- When you finish shooting, unload and re-case your firearm before leaving the shooting position. Pick up only your own brass that is behind the firing line, and please police your trash and place it in the receptacle.

- Upon entering the range area, all commands from Range Officer's or posted rules shall be followed.
- ANY 2 SHOTS fired that strike any surface other than your paper target (i.e. ceiling, floor, target carrier, track, etc.), in any combination, will result in the Range Officer terminating your shooting for the day.
- There is to be NO hand to hand transfers of firearms. If you want to pass a firearm to another shooter, place the firearm on the firing line bench and step back. The other shooter may then step forward and pick up the weapon.
- Any loading or unloading of any firearm or magazines must be done on the firing line bench.
- There is to be NO loaded and holstered firearms on the range with the exception of LEO's and Program Instructors executing a training event with students.
- All persons, belongings, targets, ammo, and firearms are to remain behind the YELLOW LINE while on the range. This is to permit a fast, uninterrupted path for the Range Officer should an emergency arise.
- Mountain Creek Range reserves the right to reject or refuse anyone access to the range complex.
- Individuals that have consumed alcohol or any substance that may impair mental or physical faculties will not be allowed on range facility.
